

# DragonWear Pro Dry Tech Hoodie

SAE Class I LED

## Description

Shield against the sun while staying dry and comfortable in our Arc-rated CAT 2, UPF 5++ lightweight stretch hoodie.

## Features and Benefits

- Inherent flame and arc flash protection
- NFPA 70E CAT 2, 8.7 cal ATPV
- The lightest stretch CAT 2 hoodie available in the market at 6.2 ounces is ideal for warm weather or layering
- 4-way stretch for freedom of movement
- Anti-odor Silver Plus® fabric technology
- UPF 50+ rated sun protection
- Bottom hem extended 1" to accommodate both regular and tall fit
- Styled low profile hood fits well under a hardhat and does not impede your vision
- Cuff thumb holes for use when layering to prevent the garment sleeves from bunching up
- True-Flat™ high density seams and tagless garment labels for a true comfort experience

## Application

Linesman, utility workers, emergency services personnel
