

ECCO ED3511 Series

Class I Directional LED

Description

The ECCO ED3511 Series Class I Directional LED warning light is designed to offer maximum performance with a minimal footprint. This surface mount LED measures only 0.5" deep, features 36 flash patterns and is available in amber, blue, white, green and red single- or dual-color options. Its compact form allows for mounting in virtually any location on a vehicle body, while its twelve 1-watt LEDs provide high-intensity utility and warning lighting across use cases. With a low current draw, long maintenance-free service life and a 5-year warranty, the ED3511 Series is a small yet powerful LED for work trucks, tow trucks or any other commercial vehicle application.

Features and Benefits

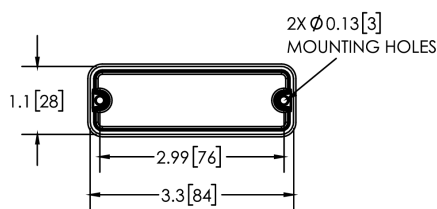

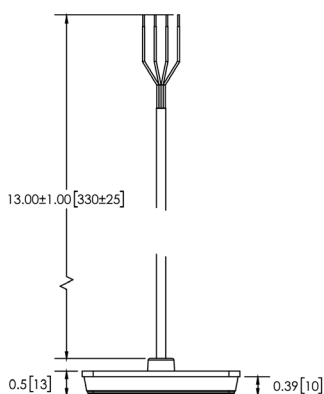

- 12 x 1W high-intensity LEDs for exceptional warning
- Single Colours: Amber, White, Red, Blue, Green
- Dual Colours: Amber/Blue, Amber/Red, Amber/White, Blue/White, Red/Blue, and Red/White
- 36 flash patterns
- Synchronisable with additional ED3511s and Hide-A-LEDs
- All electronics embedded in lighthouse
- UV-stabilized polycarbonate lens
- Surface or bracket mount
- Includes 13" (330mm) cable

Tech Specs

Tech	12 x 1W high-intensity LEDs
Colours	Single: Amber, White, Red, Blue, Green Dual: Amber/Blue, Amber/Red, Amber/White, Blue/White, Red/Blue, Red/White
Flash Pattern	36
Voltage	12-24V DC
Watts	Amber: 11.4W, Amber (Dual): 23.5W, Blue: 29W, Blue (Dual): 35W, Red: 28.5W, Red (Dual): 36.2W, White: 28.6W, White (Dual): 32.2W, Green: 14.5W
Amps	Amber: 0.44A, Amber (Dual): 0.92A, Blue: 1.13A, Blue (Dual): 1.37A, Red: 1.11A, Red (Dual): 1.41A, White: 1.12A, White (Dual): 1.26A, Green: 0.57A
Temp. Range	-30°C to 50°C (-22°F to 122°F)
Approvals	SAE CLASS I, CA T13, CE, R10, RCM, R65, IP67, ROHS
Lens	UV-stabilised polycarbonate lens
Cable	13" cable
Mount	2-bolt surface mounted
Weight	Single: 0.112 lbs (0.05 kg), Dual: 0.120 lbs (0.054 kg)
Dimensions (DxWxH)	0.5x3.3x1.1" (13x84x28mm)
Warranty	1 Year

Part No.	Description (Single Colour)
ED3511A	ECCO ED3511 Series Class I Directional LED – Amber
ED3511W	ECCO ED3511 Series Class I Directional LED – White
ED3511R	ECCO ED3511 Series Class I Directional LED – Red
ED3511B	ECCO ED3511 Series Class I Directional LED – Blue
ED3511G	ECCO ED3511 Series Class I Directional LED – Green

Part No.	Description (Dual Colour)
ED3511AB	ECCO ED3511 Series Class I Directional LED – Amber/Blue
ED3511AR	ECCO ED3511 Series Class I Directional LED – Amber/Red
ED3511AW	ECCO ED3511 Series Class I Directional LED – Amber/White
ED3511BW	ECCO ED3511 Series Class I Directional LED – Blue/White
ED3511RB	ECCO ED3511 Series Class I Directional LED – Red/Blue
ED3511RW	ECCO ED3511 Series Class I Directional LED – Red/White

- L-Bracket: SD24LBRKT
- Multi-Angle Bracket: SD24ZBRKT
