

APS LY400 Heavy duty Pole Mount with EMB

LED Walkway Light with Emergency Backup

The LY400 heavy duty pole mount LED emergency light is designed for walkways, conveyor systems and crushers. Outputting an impressive 2200 Lumens from only 22W, it features a one-for-one replacement for 70W HID lights. The LY400 is also available in the Green LED model for eye-wash stations and also to replace fluorescent fixtures (e.g. LED upgrade).

The heavy duty bracket has been redesigned to be installed in high vibration and harsh environments. This bracket has been tested to withstand 5G of vibration.

Features

- Industrial-grade LED chips and driver
- 2200 effective Lumens
- One-for-one replacement for 70W HID fixtures
- Tempered glass effective against aging and colour-changing
- IP65 fixture, waterproof & shock resistant
- Wide 140° optical lens provides even light distribution
- Certificates: CE, RCM (APS Lighting & Safety - E1496)
- Minimum Emergency backup time is 90 minutes

Application

Crushers, High vibration conveyors, Walkways and Pathways

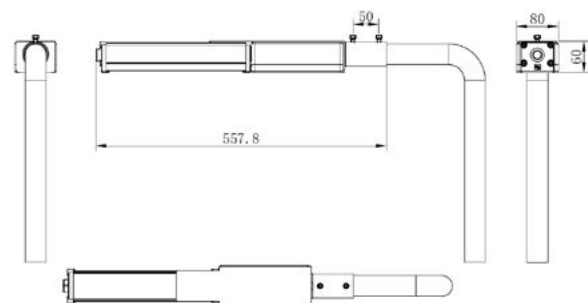

Spigot Ø 32-40mm

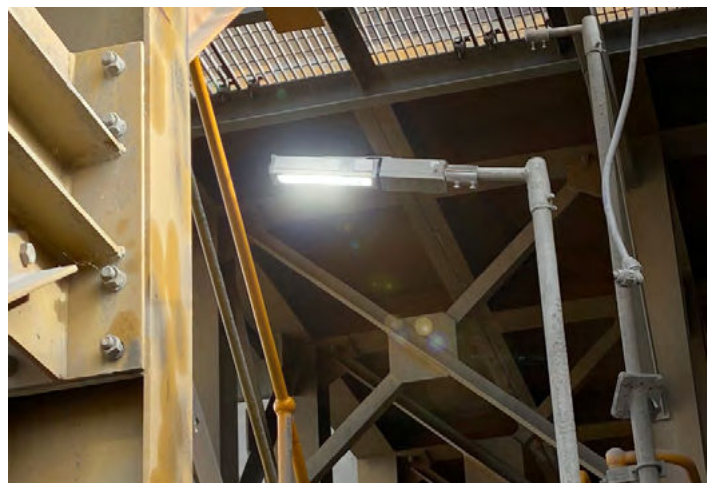

Tech Specs

Type	LEDs
Lumens	2200 eLu
Color Temperature	5500K-6000K
Voltage	120~240V AC (50Hz~60Hz)
Wattage	22W
Beam Angle	140°
Humidity	10% ~ 95% (no coagulation)
Operating Temperature	-30°C to +60°C
IP Rating	IP65
Vibration	5G
Housing	Forged aluminum alloy
Lens	Tempered glass
Mount	Pole (spigot) Ø 32-40mm
Weight	2.0 kg (4.41 lbs)

Part No.	Description
LY400-P-HD-22W	Heavy duty pole mount, 140° Beam, 2200 Lu, 120-240V AC, 22W, 5m cable
