# THE CLOTHES YOU LIVE IN

From the very beginning, we have focused on innovative, reliable products supported by our lifetime warranty. We pride ourselves on unparalleled customer service. The insight we've gleaned from decades of customer feedback has shaped us into the company we are today. We believe that the best product is the one that is always dependable and keeps the worker protected – this is always at the heart of how we design products that meet these criteria. That is why at DragonWear we make the clothes you live in.

## SEE HOW WE CAN PROTECT YOU

**CAT 1**

Single base layer of fire-resistant protection. Required minimum Arc Rating 4 cal/cm<sup>2</sup>. PPE Categories are used to determine the necessary arc rating of a garment worn during a given job task.

**ANSI 107**

The American National Standards Institute standard that specifies requirements for high-visibility safety apparel and headwear that is capable of visually signaling the user's presence. DragonWear® meets Class 2 and 3, Level 2.

**CAT 2**

One or more layers of fire-resistant protection. Required minimum Arc Rating 8 cal/cm<sup>2</sup>. PPE Categories are used to determine the necessary arc rating of a garment worn during a given job task.

**CSA Z96**

Canadian Standards Association requirements for High-Visibility safety clothing for Canadian workers. DragonWear® meets standard Z96-15 Class 2, Level 2.

**CAT 3**

One or more layers of fire-resistant protection. Required minimum Arc Rating 25 cal/cm<sup>2</sup>. PPE Categories are used to determine the necessary arc rating of a garment worn during a given job task.

**NFPA 70E**

National Fire Protection Association standard for electrical safety in the workplace.

**NFPA 2112**

National Fire Protection Association standard for protection of industrial personnel against flash fire. Certificate of compliance.

**CAT 4**

One or more layers of fire-resistant protection. Required minimum Arc Rating 40 cal/cm<sup>2</sup>. PPE Categories are used to determine the necessary arc rating of a garment worn during a given job task.

**GSA**

Volume discount pricing through government contracts: [www.gsaaadvantage.gov](http://www.gsaaadvantage.gov)

All DragonWear fabrics are made in the USA, and all garments and accessories are constructed in North America.
