BE SEEN, BE HEARD, STAY SAFE

The work truck is a critical part of your business. It transports personnel, tools and equipment to the job site every day. Beyond these practical uses, the work truck serves as an extra layer of protection for your crew. Whether enhancing visibility in the roadway or navigating a remote area at night, ECCO's lighting and warning solutions keep workers safe and productive.

ECCO stands behind its reliable and time-tested products. We design safety solutions to meet your fleet's need regardless of the application. From residential service calls to utility line repair projects, ECCO has your back any time, any place.

UTILICE LAS SOLUCIONES PANORÁMICAS Y ACÚSTICAS PARA MANTENERSE

La camioneta es una parte fundamental de su empresa. Transporta personal, herramientas y equipos al sitio de trabajo todos los días. Más allá de estos usos prácticos, la camioneta funciona como una capa adicional de protección para su personal. Ya sea porque mejora la visibilidad en la carretera o navega en un área remota por la noche, las soluciones de iluminación y advertencia de ECCO permiten mantener a los trabajadores seguros y productivos.

ECCO respalda sus productos confiables y probados con el transcurso del tiempo. Diseñamos soluciones de seguridad para satisfacer las necesidades de su flota, independientemente de la aplicación. Desde llamadas para servicios residenciales hasta proyectos de reparación de cables del servicio público, ECCO lo respalda en cualquier momento, en cualquier lugar.

SOYEZ VISIBLE, SOYEZ ENTENDU ET RESTEZ EN SÉCURITÉ

Le camion de travail est un élément essentiel de votre entreprise. Tous les jours, il transporte le personnel, les outils et l'équipement sur le chantier. Au-delà de ces utilisations pratiques, le camion de travail sert aussi de mesure de protection supplémentaire pour votre équipe. Qu'il s'agisse d'améliorer la visibilité sur la chaussée ou de naviguer de nuit dans une région éloignée, les solutions d'éclairage et d'avertissement d'ECCO permettent aux travailleurs de rester productifs et en sécurité.

ECCO soutient ses produits fiables et éprouvés. Nous concevons des solutions de sécurité pour répondre aux besoins de votre parc, quelle que soit l'application. Des appels de services résidentiels aux projets de réparation de lignes de services publics, ECCO couvre vos arrières en tout temps et où que vous soyez.

SOLUTIONS

WITH ECCO ON THE JOB, THE WORK

GETS DONE

Your truck is put to the test day in, day out. You need it to be ready to go at a moment's notice along with the equipment you need to get the job done. Whether performing tasks inside or outside of the truck, ECCO's lighting solutions save valuable time and make it easy to locate tools, find the work site and provide a perimeter of visibility. Camera systems and smart alarms greatly reduce the risk of crashes while reversing and driving around tight spaces. Warning lights give drivers and pedestrians ample warning to slow down and stay clear of equipment. Protect workers and mitigate property loss with ECCO's recommended safety solutions for work and utility trucks.

CON ECCO EN EL TRABAJO, EL TRABAJO SE HACE

Su camioneta se pone a prueba día tras día. Necesita que esté lista para partir en cualquier momento junto con el equipo que necesita para realizar el trabajo. Ya sea que realice tareas dentro o fuera de la camioneta, las soluciones de iluminación de ECCO ahorran tiempo valioso y facilitan la localización de herramientas y la búsqueda del sitio de trabajo, además de proporcionar un perímetro de visibilidad. Los sistemas de cámaras y las alarmas inteligentes reducen considerablemente el riesgo de accidentes mientras retrocede y conduce en espacios estrechos. Las luces de advertencia brindan a los conductores y a los peatones una amplia advertencia para disminuir la velocidad y mantenerse lejos de los equipos. Proteja a los trabajadores y reduzca la pérdida de propiedad con las soluciones de seguridad recomendadas para camionetas y camiones de servicio de ECCO.

AVEC ECCO SUR LE CHANTIER, LE TRAVAIL EST TERMINÉ

Votre camion est mis à rude épreuve toute la journée. Vous devez pouvoir compter sur lui pour transporter sans retard l'équipement dont vous avez besoin pour faire le travail. Que ce soit pour effectuer des tâches à l'intérieur ou à l'extérieur du camion, les solutions d'éclairage d'ECCO permettent de gagner un temps précieux et de faciliter la localisation des outils et du chantier tout en assurant un périmètre de visibilité. Les systèmes de caméras et les alarmes intelligentes réduisent considérablement le risque de collision en marche arrière et dans les espaces restreints. Les feux de détresse avertissent les conducteurs et les piétons de ralentir et de rester à l'écart de l'équipement. Protégez les travailleurs et atténuez les dommages matériels grâce aux solutions de sécurité recommandées d'ECCO pour les camions de travail.

FEATURED PRODUCT ED9215 SERIES

COMBO WARNING AND WORKLIGHT

The ED9215 is ideal for mounting on bumpers or the grille. It produces 135° of coverage and features a powerful light to illuminate the job site. The intense white light is in the center and it is flanked by dual-color warning lights. Two Hide-A-LED™ warning lights are mounted at a 45° angle on each end to provide effective off-angle visibility. Be seen and get the job done safely with this all-in-one, directional lighting solution.

El modelo ED9215 es ideal para montarlo en parachoques o en la rejilla. Produce 135° de cobertura y cuenta con una potente luz para iluminar el sitio de trabajo. La intensa luz blanca está en el centro, rodeada por luces de advertencia de dos colores. Dos luces de advertencia Hide-A-LED™ están montadas en un ángulo de 45° en cada extremo para proporcionar una eficaz visibilidad fuera del ángulo. Destáquese y realice el trabajo de manera segura con esta solución de iluminación direccional todo en uno.

Le modèle ED9215 est idéal pour le montage sur le pare-chocs ou la calandre. Il offre une couverture sur 135° et un éclairage puissant pour éclairer le chantier. L'éclairage blanc extrêmement éblouissant se trouve au centre et est flanqué de feux de détresse bicolores. Deux feux de détresse Hide-A-LED™ sont montés à un angle de 45° à chaque extrémité pour offrir une bonne visibilité sans limites d'angle. Soyez visible et accomplissez votre travail en toute sécurité grâce à cette solution d'éclairage directionnel tout-en-un.

FEATURED PRODUCT EW0800 SERIES

SLEEK INTERIOR LED LIGHTING

These thin, low-profile interior lights are designed to evenly light the cab, compartments or any tight space where illumination is required. Available in three lengths, the high-output lights mount easily with concealed fasteners. The EW0800 Series is built to last with aluminum housing and durable frosted lenses.

Estas luces interiores delgadas y de bajo perfil están diseñadas para iluminar uniformemente la cabina, los compartimientos o cualquier espacio cerrado donde se requiera iluminación. Disponibles en tres longitudes, las luces de salida alta se montan fácilmente con sujetadores ocultos. La serie EW0800 está fabricada para durar con una carcasa de aluminio y resistentes lentes esmerilados.

Ces dispositifs d'éclairage intérieurs minces et compacts sont conçus pour éclairer uniformément la cabine, les compartiments ou tout espace restreint où un éclairage s'avère nécessaire. Offerts en trois longueurs, les dispositifs d'éclairage à puissance élevée se montent facilement au moyen de fixations invisibles. La série EW0800 est conçue pour vous servir longtemps grâce à son boîtier en aluminium et à ses lentilles dépolies durables.

FLATBED TRUCK SOLUTIONS

SOLUCIONES PARA CAMIONES DE PLATAFORMA | SOLUTIONS POUR CAMIONS À PLATEFORME

FEATURED PRODUCT EW3200 SERIES

DOUBLE ROW | ADJUSTABLE END OR EXTRUSION MOUNT

ECCO's double row utility bars offer a long, maintenance-free life, low amp draw, and intense white light output. The EW3200 is available in three lengths, each with a choice of two mounting options. Features include combination flood/spot beam patterns, durable aluminum housing, polycarbonate lens and five-year warranty.

Las barras utilitarias de doble fila de ECCO ofrecen una larga vida útil libre de mantenimiento, un bajo consumo de corriente y una intensa salida de luz blanca. El modelo EW3200 está disponible en tres longitudes, cada una con dos opciones de montaje. Las características incluyen una combinación de patrones reflectores o de haz, carcasa duradera de aluminio, lente de policarbonato y cinco años de garantía.

Les barres utilitaires à rangées doubles d'ECCO offrent une longue durée de vie sans entretien, une faible consommation en ampères et un éclairage blanc extrêmement éblouissant. La barre EW3200 est offerte en trois longueurs, chacune avec deux options de montage. Les caractéristiques incluent des motifs de faisceau large/étroit combinés, un boîtier en aluminium et une lentille en polycarbonate et une garantie de cinq ans.

BOOM TRUCK SOLUTIONS

SOLUCIONES PARA CAMIONES GRÚA | SOLUTIONS POUR CAMIONS À FLÈCHE

FEATURED PRODUCT 5550 SERIES REFLEX®

11" MICROBAR

The Micro Reflex® Series LED minibar provides a low-profile, yet powerful warning solution that features single- or dual-color LEDs that produce dozens of flash patterns. Choose from single- or dual-color lightheads that deliver highly visible, focused light to meet the public safety need. Integrate the microbar with the unit's complement of exterior warning lights with the permanent mount model. The temporary, vacuum-magnet models allow operators to quickly cycle through flash patterns with simple on/off/selection switch functionality.

El minibar LED de la serie Micro Reflex® proporciona un perfil bajo, potente solución de advertencia que cuenta con LED de uno o dos colores que producir docenas de patrones de destellos. Elija entre cabezales de luz de uno o dos colores que entregan luz enfocada altamente visible para satisfacer las necesidades de seguridad pública. Integre la microbarra con el complemento de luces de advertencia exteriores de la unidad con el modelo de montaje permanente. Los modelos temporales de imán de vacío permiten a los operadores recorrer rápidamente el flash patrones con funcionalidad simple de encendido / apagado / interruptor de selección.

Le mini-bar à LED de la série Micro Reflex® fournit une solution d'avertissement discrète mais puissante qui comprend des LED à une ou deux couleurs qui produisent des dizaines de modèles de flash. Choisissez parmi des phares monochromes ou bicolores qui fournissent une lumière hautement visible et focalisée pour répondre aux besoins de sécurité publique. Intégrez le microbar au complément de feux d'avertissement extérieurs de l'unité avec le modèle à montage permanent. Les modèles temporaires à aimant à vide permettent aux opérateurs de parcourir rapidement les modèles de flash avec de simples fonctionnalités du commutateur marche / arrêt / sélection.
